

GREAT AMERICAN OUTDOORS ACT

Partners Point Pole Barn and Administrative Building Replacement

Project ID L006

ARIZONA

Year Constructed or Established: Work yard in 1980, pole barns in 1993, and administrative building in 1998

Recreational Opportunities: Fishing (including national bass tournaments), boating, and camping

Annual Visitation: 15,000 at 70 boat-in campsites

District or Unit Name: Colorado River District

BUILDING AND STRUCTURES PROJECT

Purpose and Need: The existing pole barn's main supports are rusted and bent and present a danger of failure. In addition, wind has torn off portions of the roof. Structural failure could result in damaged equipment and injury to BLM employees and volunteers. Additional work includes improvements to physical security fencing to improve volunteer and employee safety.

GAOA Funding, Fiscal Year 2021:

\$2,250,000

Cost

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog

Benefit

Estimated Deferred Maintenance Reduction:

\$2,450,000

Total Economic Benefits from BLM Building and Structures Projects, Fiscal Year 2021:

353 jobs supported

\$37.7 million

in economic contributions

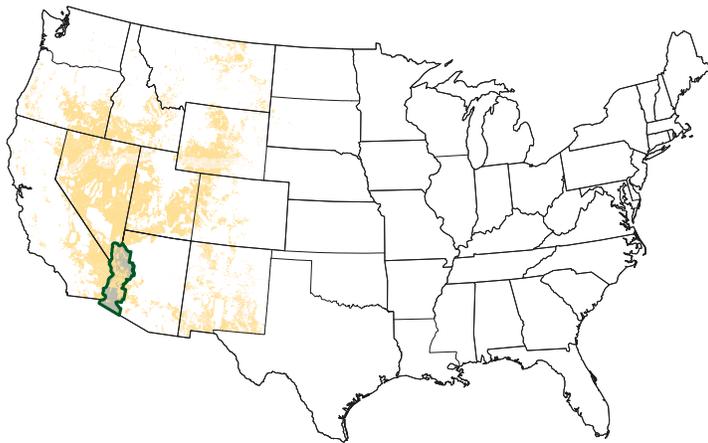

GREAT AMERICAN OUTDOORS ACT

Partners Point Boat Dock and Ramp Replacement

Project ID L007

ARIZONA

Year Constructed or Established: 1993

Recreational Opportunities: Fishing (including national bass tournaments), boating, and camping

Annual Visitation: 15,000 at 70 boat-in campsites

District or Unit Name: Colorado River District

WATER AND UTILITIES PROJECT

Purpose and Need: The existing dock and ramp have reached the end of their useful life and require replacement due to rotting wood that poses a safety risk to users. This project will provide a safe and low-maintenance launch area by replacing the old wooden dock with an aluminum dock. This replacement will meet ADA requirements to improve accessibility and visitors' experiences launching boats at Lake Havasu.

GAOA Funding, Fiscal Year 2021:

\$1,200,000

Cost

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog

Benefit

Estimated Deferred Maintenance Reduction:

\$1,364,000

Total Economic Benefits from BLM Water and Utilities Projects, Fiscal Year 2021:

188 jobs supported

\$19.7 million

in economic contributions

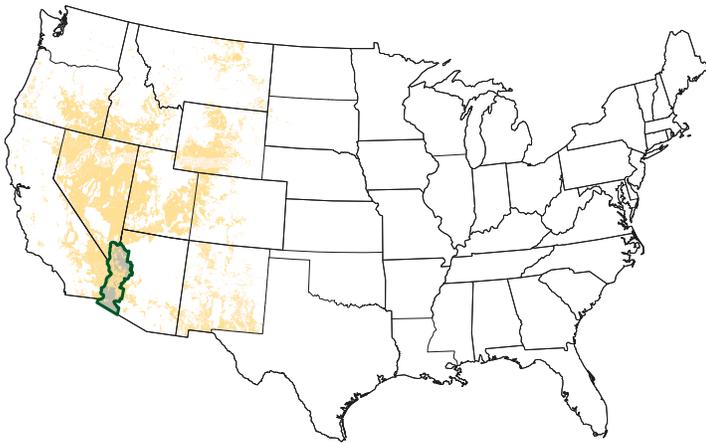

GREAT AMERICAN OUTDOORS ACT

Burro Creek Recreation Site Water System and Dump Station Repair

Project ID L008

ARIZONA

Year Constructed or Established: 1970 (upgraded in 1990)

Recreational Opportunities: Tent camping, RV camping, and group camping with amenities (fire grill, trash can, picnic table, sun-shelter ramada, parking space, potable water, restrooms with flush toilets and sinks, and an RV dump station)

Annual Visitation: 19,742 individual visitors and 664,157 visitor days in 2019

District or Unit Name: Colorado River District

WATER AND UTILITIES PROJECT

Purpose and Need: The existing water system violates safety standards and poses a health risk to the visiting public. Complete renovation of the potable water system at the Burro Creek Recreation Site is necessary to eliminate the water system violations and provide safe drinking water for the recreating public.

GAOA Funding, Fiscal Year 2021:

\$590,000

Total Economic Benefits from BLM Water and Utilities Projects, Fiscal Year 2021:

188 jobs supported

\$19.7 million
in economic contributions

Estimated Deferred Maintenance Reduction:

\$590,000

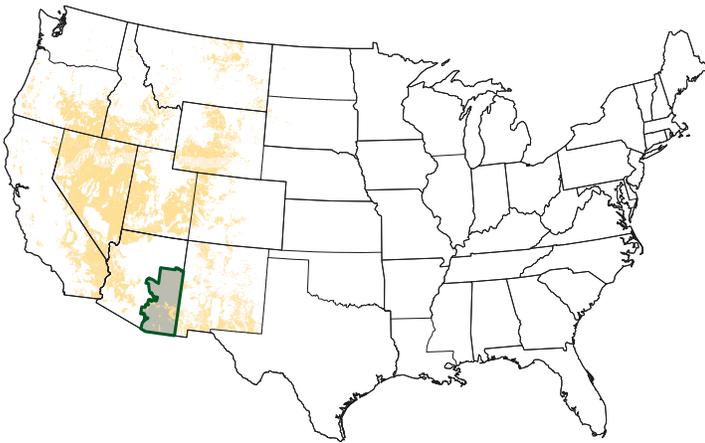

GREAT AMERICAN OUTDOORS ACT

Haekel Road Rehabilitation Chip Seal (Phase 1 of 2)

Project ID L009

ARIZONA

Year Constructed or Established: 1970 (paved in 2006)

Recreational Opportunities: Off-highway vehicle use (Hot Well Dunes), hunting, camping, wildlife viewing, and other dispersed recreational opportunities

Annual Visitation: 10,000 at Hot Well Dunes Recreation Area; 4,170 vehicles on road monthly

District or Unit Name: Gila District

TRANSPORTATION PROJECT

Purpose and Need: Haekel Road is a degrading asphalt road with potholes, rutting, and spalling, all of which pose a serious safety risk. Accidents have occurred on this road that resulted in serious injury. This project will repair the road surface and subgrade to resolve road safety issues and provide safe access to Hot Well Dunes Recreation Area, which attracts thousands of OHV enthusiasts every year.

GAOA Funding, Fiscal Year 2021:

\$1,000,000

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog

Estimated Deferred Maintenance Reduction:

\$4,443,000

Total Economic Benefits from BLM Transportation Projects, Fiscal Year 2021:

462 jobs supported

\$50.3 million

in economic contributions
